

NOTES FROM A CITY EDITOR'S DAYBOOK—Our discussion of city-sponsored billboards in this space yesterday has stirred some pro-and-con comment, so we'll have at it again.

We pointed out that the council has, for an annual return to the city of \$255, bargained for the erection of five billboards on city property—one of them in an unused portion of the city cemetery. That latter bit of municipal high finance will reap the city the grand sum of \$55 a year!

We attempted to point out that the city, which handles nearly a half-million of the taxpayer's money annually, seemed extraordinarily concerned with this piddling means of alleviating the city tax burden. It may be that they are also concerned with the welfare of the Sterling billboard firm that gets the contract. We don't know.

Anyway, we'll choose to discuss this issue strictly on aesthetic grounds. We contend that billboards degrade the landscape, they are a hazard to traffic safety, and that the city council could well direct an eye to city beautification instead of inviting these notorious eyesores.

Reaction of two city commissioners this morning has consisted of a veiled hint that the next of their revenue-raising projects is parking meter advertising.

We are quite resigned to their whims, but we'd suggest that when they enter negotiations with parking-meter men, they summon to their side someone who is not as glib in contract negotiations. Any more of these \$55-a-year deals will leave the city positively Midas-rich.

Of course this sort of a city revenue program has immense possibilities. Commissioners could sell space on the police squad cars, the fire engines and even on the firehouse.

Cops could walk their beats with signboards. Why not?

Firemen, arriving on a fire scene, could unfold a collapsible sign reading, "This exhibition comes to you with the compliments of Joe's Lunch."

Stopgap blinkers could carry an advertising message. Why not?

Who knows, maybe instead of paying taxes, city residents will get dividends?

All of this is ridiculous but so is the \$255 plan.

Boat Upsets, Four Saved From River

Failure of a boat operator to have his craft equipped with life preservers resulted in near tragedy Thursday evening in front of Lowell park as a small motorboat upset, throwing two men, a woman and a three-year-old child into the river.

Park Officer Paul Sodergren reported that the boat was about 20 feet off shore when the accident occurred. Fortunately the occupants remained calm and clung to the upset boat. Only one could swim. He assisted the others to shore and received some help from people in the park.

Park officials have often stressed the importance of equipping all boats with life preservers, not only for safety but also to comply with state laws which make it compulsory. They have indicated that craft entering the water at Lowell park hereafter will receive close examination to see that they comply with regulations.

Sen. Taft Will Not Return to Duty This Year

NEW YORK — (U) — A hospital bulletin said today that Sen. Robert A. Taft (R-Ohio), who recently underwent an exploratory operation for a hip ailment, does not intend to return to his duties in Congress for the remainder of this session.

The announcement was made by New York Hospital, where Taft is recuperating from the exploratory operation of the abdominal wall made last week.

Taft, the Senate's majority leader, withdrew from active floor management recently when he became incapacitated by hip ailment.

YOUNG TRAVELER—Ten-year-old Ruth Anne Spencer of Chicago peers impishly through a door at the Washington receiving home in Washington, D. C., where she is waiting completion of arrangements to send her back home. She arrived in the city on the B. & O. Capitol Limited which she boarded at Chicago with the explanation that her parents were "a few cars back." When checked later by the conductor, she said her parents were "a few cars back" and when they couldn't be found, she said, "maybe they are on another train." (AP wirephoto)

Clark in Truce Huddle

By SAM SUMMERLIN

MUNSAN — (P) — Gen. Mark Clark huddled for three hours with U. N. truce negotiators today in advance of a showdown meeting Saturday afternoon at which the Communist high command is expected to answer an Allied demand for a quick Korean armistice.

There was no hint of what was discussed during the secret 11th-hour conference, but sources said there was no question but what the U. N. commander and his negotiating team mapped strategy for the crucial session.

The top-level delegations are to meet at 2 p.m. (11 p.m. today CST).

Clark told newsmen before flying back to his Tokyo headquarters that he talked over the truce situation with the U. N. delegation, led by Lt. Gen. William K. Harrison Jr. He refused to discuss details.

The negotiations were in recess Friday. The Reds asked for a one-day recess Thursday after the U. N. delivered what Washington sources called a firm demand that the Reds agree immediately to steps leading to a prompt armistice.

Governor Says He'll Fight Federal Tax on Park Tolls

By LARRY KRAMER

SPRINGFIELD, Ill. — (U) — Gov. Stratton says he's ready to tilt lances with any federal tax collector who might try to put an amusement levy on top of the state's new park admission charge.

"Outrageous," Stratton called the idea Thursday when it was brought up at a news conference.

"The federal government cannot do it and will not do it as long as I am governor," he asserted.

Stratton took the position that the amusement fees for park visitors 12 years and older was a tax. The federal government, he said, "cannot levy a tax on a state tax."

"In my estimation the federal government has no right to collect it and I have no right to order it collected. It would violate one of the most basic concepts in the federal-state relationship," he contended.

Stratton said the possibility of a two-cent federal amusement tax levy on the state fee at seven parks was raised by advisers. They had learned Indiana was paying the federal tax on its charge against park entrants.

Glen Palmer, director of the State Conservation Department which runs the parks, later told a reporter Indiana had lost a plea for exemption from the federal tax.

"We are not going to collect it unless we are forced to do it," Palmer said. He added that admission tickets were being pre-

Postal Rate Boost May Be Deferred

WASHINGTON (U) — Sen. Knowland (R-Calif.), acting majority leader of the Senate, said today he does not believe Congress will take any action at this session on President Eisenhower's request for higher postal rates.

Knowland expressed this view at a news conference following a two-hour meeting of the Senate GOP Policy Committee.

Eisenhower wants postal rates boosted to diminish a deficit in the Post Office Department expected to run close to 600 million dollars this year. One proposed boost would make letter postage four cents instead of three cents.

The request already has encountered serious opposition in the House.

State Highway Deaths Head For New Mark

SPRINGFIELD, Ill. (U) — At the halfway mark of 1953, traffic accidents on Illinois highways had killed more persons than in any comparable period of the past 12 years.

The six-month toll reached 983 with 175 fatalities in June. In the first half of 1952, deaths totaled 927, the state highway division reported Thursday.

Running sharply counter to the higher trend were two counties, Montgomery which had 7 deaths as against 14 in the first half of last year, and Livingston which showed 6 as against 17.

UN Forces Shorten Red Gains at Front

U.S. Collects Record Taxes All-Time High Sum Not Enough to Offset Outgo

WASHINGTON (AP)—The federal government collected \$69,595,916,968.36 in taxes in the fiscal year which ended June 30—more than ever before in peace or war, but not enough to make ends meet.

The official report of the Bureau of Internal Revenue on the tax take in fiscal 1953, made public today, disclosed that:

1. Total federal revenues were \$4,586,331,406.71 higher than in the previous year. This was equivalent to \$436 from every American.

2. There had been some faulty guesswork in the advance estimates of revenues under the post-Korea tax increases.

Estimate Too High
Former President Truman's budget message of January, 1952, for instance, forecast \$27,800,000,000 of collections from corporations. This was \$6,300,000,000 too high.

Actual collections on corporate income and excess profits taxes were reported by the bureau as \$21,548,315,834.45. That 29 per cent over-estimate was offset in part by a mis-guess on individual income taxes.

The original Truman estimate for personal income collection was \$22,200,000,000. Actual collections were \$36,949,861,968.15 or 15 per cent higher.

Truman revised his estimates last January, when the fiscal year was half over. But he still came out nearly 3½ billion dollars too low on personal income taxes and 2 billion dollars too high on corporation payments.

Federal spending ran behind the advance estimates also, but the disappointing returns from corporation levies contributed much to the record-breaking peacetime deficit of \$9,400,000,000 which Secretary of the Treasury Humphrey announced on July 1.

Personal income tax collections in the fiscal year just closed soared above fiscal 1952 by \$3,471,108,146.40.

The corporation levies, both regular income and excess profits taxes, gained only \$81,405,815.12 from the previous year.

But miscellaneous internal revenue—which includes estate, gift, alcohol, tobacco, gasoline and other excise taxes—rose by more than a billion dollars. They totaled \$10,286,287.59.

U. S. Pilot Sets New Air Mark

THERMAL, Calif. — (U) — An F5ED Sabre jet and its veteran Air Force pilot have blazed to a new world's air speed record of 715.7 miles an hour. That's traveling one mile as you count to five.

Lt. Col. William F. Barnes, 32, sometimes reaching speed of more than 12 miles a minute in the nine-jet interceptor, eclipsed Thursday the record of 694.595 established only last November over the course three-kilometer (1.863-mile) course by Capt. J. Slade Nash.

Barnes flashed through two complete contest runs, each consisting of two trips in both directions along the straightaway course. Each of the eight trips was faster than Nash's record and the best was 721.364 when the wind was in the colonel's favor.

Barnes broke the record with an average of 715.6 on the first run. He changed planes and came back to re-establish the record a couple of miles per hour higher. Each run was at about 160 feet altitude.

The speed pilot said the weather for the runs was quite turbulent. "We didn't have the optimum conditions today," he commented. "The temperature was right over 100 degrees, but I think the turbulence and wind cut the speed down."

French Raid Wrecks Red Supply Depot

WITH FRENCH FORCES AT LANG SON, Indochina — (AP)—French Union paratroopers today captured Lang Son, within 10 miles of the Communist Chinese frontier, in the boldest raid of the 7-year-old war against the Vietminh. They succeeded in wrecking the chief supply center for all war equipment supplied to the Vietminh by Red China.

A military spokesman said that while the troops were not expected to occupy Lang Son for long, the attack proved the French had definitely abandoned defensive tactics and were changing over to the offensive.

Five thousand paratroopers were dropped from American-supplied Dakota and Flying Boxcar transport planes in the lightning raid in the enemy's back yard. They quickly took over control of Lang Son, which had been in the hands of the Red-led Vietminh for three years.

The air attack caught the enemy at breakfast. The paratroopers swiftly routed scattered resistance after fighter planes and bombers silenced a group of Vietminh anti-aircraft batteries made up mostly of heavy machineguns.

The sky troops blew up huge stores of war supplies and ammunition. They dynamited bridges and temporary spans over the Ky Cua River linking Lang Son with Kwangsi Province in Red China. Military installations were leveled. B26 bombers ripped fresh gaps in all roads leading into China over which the Vietminh had been receiving an estimated 3,000 tons of war equipment a month.

In Saigon, a military staff spokesman said the attack was not an attempt to occupy enemy territory permanently. He described it "a big strike with two objectives. The first was to strike a hard blow at the Vietminh by destroying important stocks of war materiel, and the second was to show that the French definitely have abandoned the defensive and are changing over to the offensive."

An anti-government slowdown has been under way at the Zeiss Optical works at Jena since Tuesday. Zeiss employees walked out last Saturday but were forced back on the job Tuesday when the local Russian command threatened to "shoot every tenth striker."

The new Russian march into East Berlin apparently was intended to prevent such strikes from spreading to the East zone capital.

In East Berlin 82 tanks were counted by German eyewitnesses

\$236,814

Missing From Bank

SCRANTON, Pa. (U) — The Federal Bureau of Investigation probed today into the background of a 40-year-old assistant cashier charged with misappropriating \$236,814 in funds of the Third National Bank of Scranton over a period of five years.

The FBI was hastily summoned into the case Thursday by bank officials who discovered the shortage after a business firm asked for a tally of its balance.

Free on \$10,000 bail is Gilbert J. McCauley, 40, recently promoted to the \$3,500-a-year post of assistant cashier in charge of book-keeping.

Ray J. Abbattichio, special agent in charge of the FBI's Eastern Pennsylvania district said McCauley readily admitted misappropriating the funds. The FBI is trying to find out just where the money went. McCauley started with the bank 24 years ago as a messenger.

DADDY'S MEDAL—Edward Benford, 14-month old son of Navy Corpsman Edward Clyde Benford of Camden, N. J., examines the Congressional Medal of Honor which was awarded posthumously to his father at ceremonies at the Philadelphia Naval base. The hero's widow, Mrs. Dorothy Benford, holds the medal for her son to see. Corpsman Benford died saving the lives of two wounded Marines in Korea last year. (AP wirephoto)

Russian Tanks Roam in Berlin

Report Reds Fear Another Revolt of E. German Labor

BERLIN (U)—A Russian tank division rumbled back into East Berlin today as a dangerous new wave of anti-Communist strikes marked the first monthly anniversary of the June 17 workers rebellion in East Germany.

The columns of Soviet tanks, troops and armored cars stamped and rumbled ostentatiously before dawn through Stalin Alley, a riot focus a month ago. The Russians poured into East Berlin from the southeast, the east and the north.

Soviet martial law, proclaimed at the June 17 outbreak, was lifted in East Berlin only last Saturday night. The last of the 25,000 Russian armored troops who put down the rebellion withdrew at that time.

It could not be confirmed immediately whether the Soviet forces had also gone back into other East German cities where martial law ended last weekend.

At Merseburg, near Halle, a Soviet-owned Buna synthetic rubber plant has been paralyzed since Wednesday by a sitdown strike of 14,000 workers demanding release of comrades jailed after the June 17 rebellion.

An anti-government slowdown has been under way at the Zeiss Optical works at Jena since Tuesday. Zeiss employees walked out last Saturday but were forced back on the job Tuesday when the local Russian command threatened to "shoot every tenth striker."

The new Russian march into East Berlin apparently was intended to prevent such strikes from spreading to the East zone capital.

In East Berlin 82 tanks were counted by German eyewitnesses

Princess Back in Britain As Romance Fuss Buzzes

LONDON (U)—Smiling and seemingly carefree, Princess Margaret came home today to a Britain buzzing with fussing about her latest romance and lacking the presence of her reported boy friend.

The man in the story, divorced RAF Group Capt. Peter Townsend, went to Brussels two days ago as the new air attaché at the British embassy there. Many Britons think he was exiled from his post as a palace aide because the 22-year-old princess reportedly wants to marry him.

But if his absence or the talk about them bothered the princess, there was no outward sign of it on her pretty face as she and Queen Mother Elizabeth arrived at London airport by Comet jet airliner after a 16-day tour of Rhodesia.

Margaret quickly set at rest any apprehension that she might be

First Open Warfare in Two Years

ROK Troops Overrun 1,500 Chinese Reds in Counterattack

SEOUL — (AP) — Fiercely counterattacking Allied infantrymen — perhaps including Americans — whittled down Red gains of up to seven miles on the flaming Central Front today in what Gen. Maxwell D. Taylor called "the first resumption of open warfare in two years."

Latest reports cleared by censors said South Korean soldiers hit and overran about 1,500 Chinese Reds in the Kumsong River Valley.

Taylor, U. S. 8th Army commander, disclosed that the Chinese Reds' massive 10-division offensive this week—nightride in two years—flattened the Allies' Kumsong bulge. This meant a U. N. withdrawal of up to seven miles and total Red gains of up to 60 square miles.

The 8th Army Corps and 2nd Korean Corps were identified as manning the Kumsong River line — the first disclosure that U. S. infantrymen were in the area hit by the giant Red push.

Tight Censorship
Tight military censorship hid official mention of whether Americans were taking part in the big counterattacks.

Taylor said the front was stabilized "generally along an east-west line at the base of the former salient"—where the Allies held a seven-mile northward bulge as a result of gains 20 months ago.

Dispatches cleared by censors meanwhile told of successful South Korean counterattacks at both sides of the front, backed by swarms of American and Allied warplanes and thunderous artillery.

The ROK division which Thursday night smashed a Chinese attack aimed at the vital highway junction of Kumwha, western anchor of the Central Front, was identified by Taylor as the 24th, heroes of savage fighting at White Horse Mountain last fall.

Recaptured Hills
Friday the ROKs launched a daring counterattack and recaptured two outpost hills. Taylor said the South Koreans inflicted heavy losses on the Chinese.

Other South Koreans were officially reported to have scored even larger gains—more than a mile—on the Kumsong Front to the east, where the Reds had advanced up to seven miles Monday and Tuesday.

Sunset 8:24 p.m. (CDT).

Attend the Church of Your Faith Regularly

GRANDPA'S SCRAPBOOK

It's all there—in Grandpa's Scrapbook. The story of his life. His baptismal certificate, the newspaper clipping about his kicking that winning field goal, the now-yellowed wedding invitation, the snapshot of their house-warming, the announcement of Mama's birth, the blue ribbon that Grandpa's steer won at the county fair.

And, on a page all by itself, is a Children's Day program from our little Church, the day I sang "Jesus Loves Me" with Danny Andrews!

Grandpa always says, "That's the page I like best. It's a blessin' to know yer grandson is goin' in the right direction."

And then with a far-away look in his eyes he says, "You keep up yer fine work in Sunday School, Lad. Whether yer kickin' a field goal, or plantin' yer corn, or servin' God in yer own humble way—you have to keep goin' in the right direction!"

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

WORSHIP IN DIXON AREA CHURCHES

The Dixon Evening Telegraph—Dixon, Illinois Page 3
Friday, July 17, 1953

Novena Services Scheduled For St. Anne's July 18-26

GRACE EV. UNITED BRETHREN
Ottawa at Fellows
Samuel Batt, minister
Sunday, 9:45 a.m., Sunday school
10:45 a.m., Morning worship, Sermon,
by Lewis Robinson, "The Word of
God." Annual offering for Oakdale
camp meeting.

3:30 p.m., Youth fellowship meet
at church for Rock River District
Youth fellowship rally at Reynolds
church.

7:45 p.m., Evening service, Miss
Nannie Belle Clark will tell mis-
sionary work in Tennessee.

Wednesday, 7:30, Mid-week serv-
ice.

8:30, Choir rehearsal.
Thursday, Work day at Oakdale
camp grounds.

7, Youth fellowship swimming
and watermelon party meet at the
church.

THE FIRST METHODIST
Second st., at Peoria av.
Sidney Bloomquist, pastor
9:30, Church school
10:30, Union Worship service
of Presbyterian and Methodist
churches, at The Methodist Church
Rev. Malcolm Ludy will preach.

**ST. JAMES EVANGELICAL
CONGREGATIONAL**
Paul D. Gordon, pastor
10 a.m., Sunday school.
11 a.m., Worship.

Plans for the solemn Novena de-
votions to St. Anne, as announced
by the Rev. Ronald French, St.
Anne's church, Dixon, have been
planned for July 18 to July 26 with
the Rev. Anthony J. Becker, pro-
fessor of classical languages at the
Pontifical College Josephinum,
Worthington, Ohio, conducting the
services.

This has been a long-standing de-
votion among the parishioners, who
are dedicated to the mother of the
Blessed Virgin. The services con-
sist of rosary, novena prayers, ser-
mon, benediction of the sacrament,
and solemn veneration of the relic
of St. Ann.

Arranged in schematic order,
the specific topics for the sermons
on courtship on the nine individual
nights will be as follows: July 18,
Charity during Courtship; July 19,
Objectivity of Courtship; July 20,
Understanding during Courtship;
July 21, Respectfulness in Court-
ship; July 22, Truthfulness during
Courtship; July 23, Sanctity by
means of Courtship; July 24, Hap-
piness during Courtship; July 25,
Influence of Courtship; July 26,
Purity Throughout Courtship.

Record Church Attendance Seen At Summer Camp

The summer youth season at
Camp Reynoldswood, near Dixon,
is expected to better last year in
attendance as the camp ends its
second week of summer youth ac-
tivities.

Enrollment for 1952 was the
highest in the history of the church
in Illinois. The camp opened July
3 and includes a weekend camp
for senior young people of the
Seventh-day Adventist church in
the state.

Currently, the girls' camp is in
session with 55 in attendance. On
Monday, boys from 9 through 11
will take over when the girls leave.
The final camp will include teen-
age boys and girls, 12 through 16,
and will operate July 30 through
Aug. 9.

High points in the camp routine
include flag raising and lowering
daily, prayer and junior church
service groups, swimming, games,
handicrafts, hiking, and nature
classes.

According to J. O. Iversen,
camp director, the objectives of
the camp are to emphasize spiri-
tual needs, to develop the physical
and social, with emphasis on in-
terests which will combat juvenile
delinquency.

meeting. The Pastor will begin a
series of messages entitled "Word
Studies of the Bible."

FIRST PRESBYTERIAN
110 East Third st.

Malcolm D. Ludy, minister
9:30 to 10:15, Sunday school, Lu-
cious Thomson, Supt.

10:30, Worship service in the
First Methodist church during the
month of July. Rev. Ludy will have
charge of the service. Sermon:
"The Glow of Faith"

The worship services in August
will be held in the First Presby-
terian church and Rev. Sidney
Bloomquist of the Methodist church
will conduct the services.

Baseball practice schedule: Mon-
day and Thursday at 7 p.m., Tues-
day game at 7:30 p.m., Presby-
terian vs. Church of Brethren.

IMMANUEL LUTHERAN
519 Highland

P. H. Lechner, pastor
9:45 a.m., Sunday school, Miss
Grace Jacobs, Supt.

11 a.m., Morning worship; ser-
mon: "Seek Ye first the Kingdom
of Heaven."

Tuesday, Luther league, 8 p.m.,
in church basement; devotion, re-
creation, refreshments.

SECOND BAPTIST
607 Madison av.

Charles Manney, pastor
Mrs. William Badie, Supt.
Church school, 9:30 a.m.

Morning worship, 11 a.m.
Sunday at 4 p.m., the Rev. Clay-
born Salter, St. Paul Baptist
church, Freeport will be guest
speaker for the Missionary society.

The St. Paul choir will sing.
There will be no evening service.
Monday, 7:30 p.m., regular meet-
ing of the Missionary society.

Wednesday, Official board meet-
ing, 7 p.m.

There will be no teachers meet-
ing.

Choir practice Friday at 7:30
p.m.

CHURCH OF GOD
Sunday school, 9:45 a.m.

Morning worship, 10:15 a.m.
Evangelistic service, Sunday,
7:30 p.m., Supt. Mrs. Herald Pof-
fomburger

Rev. George King, Peoria, will
be the speaker.

7:30 p.m., Wednesday, Prayer

NOW IT'S "3-D" IN CHURCH—The world's only "3-D" stained glass window is the pride of Trinity Lutheran Church in Jackson, Miss. The window appears to be in three dimensions, because it has five panels of glass, each six inches apart. Parts of the scene are set in each pane, thus making the picture appear to have depth. Rev. and Mrs. Wade H. Koons are shown inspecting the window.

the guest speaker. The Sacrament
of Holy Communion will be observ-
ed.

Senior Christian Youth fellow-
ship for teenage young people
meets at 8:30.

Young Ladies Missionary society
will meet Monday at the home of
Mrs. Henry John Jr. at 7:30 p.m.

Mid-week Prayer services Wed-
nesday at 7:30 p.m.

This Tragic Tale Has Story All Of Us Should Remember

Dennis Gerber, who had just graduated from the University of Wisconsin, lay in a hospital bed at Waukegan, Ill., this summer slowly mending from a concussion of the brain. One thing, particularly, worried Gerber. He didn't remember exactly what had happened to him. And he complained now and then to his nurse, "If one of those darn fools would only drop up here and fill me in on the details." But those "darn fools" weren't going to drop up. None of the five who were there when it happened had anything to say to Gerber. They weren't talking.

This whole curious circumstance had its beginning one afternoon when Gerber sat in a neighborhood tavern drinking beer and watching a baseball game on television. His parents were giving him a party that night to celebrate his graduation. He was going to be a teacher and already had some job offers.

At 6:20 p. m. his girl friend, a 23-year-old graduate nurse from nearby Madison, Wis., arrived on the train to attend the party. She brought another girl with her. Gerber met them at the station. Then the three went across the street to George Mahoney's place and had a couple of drinks. Then they went out to Gerber's house, for it was about time for the party to begin.

At the house, another young couple was present, and a single young man attached himself to the group. The young man's name was Grevenow and he was 23. That made three couples.

They ate and drank well. Mild, good-humored hilarity, but "nobody appeared to be getting out of hand," as Gerber said several days later in the hospital.

Later the six went on a gay tour of some taverns. Gerber's girl was wearing his fraternity pin and they were in love. Their happiness bubbled over and affected the others. Everybody was very young and very happy and very gay and life was a thing they would be able to fashion easily to suit themselves. More drinks.

Now it was 6:08 the next morning, the sun was up. Maybe the six young people were singing as they headed toward home. They were all in the new Pontiac and Grevenow was driving around a curve.

What happened then nobody knows. The car must have been going fast, because when it hit the tree it was cut completely in two.

None of the five will be going to the hospital to fill Gerber in on the details. They did their last talking—or was it screaming?—in the brief, awful flash as the car hurtled toward the tree.

Maybe the nurse has told Gerber by now what happened. But for a long time his own condition was too dangerous to risk it. That's why he kept wondering why those darn fools wouldn't at least visit him.

To save his life, it was necessary that Gerber be spared the shock of what happened. Knowing what Gerber was spared, however—knowing more of the tragic details of the traffic accidents which kill 38,000 people and maim better than a million more each year—may help the rest of us, as auto drivers, to escape what he and his friends couldn't.

Jacoby on Bridge

Defensive Play Is Ingenious, Risky

By OSWALD JACOBY

Sometimes a defender's best play is simple and painless, but in today's hand we see a defensive play that was both ingenious and risky.

West opened the queen of clubs, and dummy won with the ace. When South had to follow suit with

Opening lead—♠ Q	

the king. It was quite clear to everybody at the table that South had started the hand with a singleton club.

Declarer's next step, naturally enough, was to take the spade finesse. The queen of spades rode around to West's king, and now West had to make the important decision.

It was perfectly clear that South had three aces for his opening bid and his later strong bidding. It was equally clear that the defenders could take only one spade and one heart, and therefore needed two diamond tricks to defeat the contract.

West's "normal" defensive play was to lead the king of diamonds. Obviously, this would not produce two diamond tricks for the defenders. South would surely win with the ace of diamonds, and West could eventually take the queen of diamonds; but dummy's jack of diamonds would remain the control suit.

All of this flashed through West's mind since West was an experienced bridge player. As a result, West was able to make an ingenious but risky return without much hesitation. He led back the deuce of diamonds.

Now look at the hand from declarer's point of view. When the deuce of diamonds is returned, it doesn't seem likely that West has led from the king and queen of diamonds. Hence South does not expect to gain by playing dummy's jack of diamonds. There was a fair chance, South thought, that West had led from some diamond combination that included the ten.

In any such case, the winning procedure was to play a low diamond from dummy.

When South played a low diamond from dummy, East naturally played the ten of diamonds, and South had to win with the ace. This gave West two diamond tricks, which he was able to cash when he gained the lead with the king of hearts. West had given declarer a chance to make 11 tricks, but his risky diamond return was the only defensive play that had any chance to defeat the contract.

CARD SENSE

Q—The bidding has been: South 1 ♠ West 2 Clubs East 2 Dmcls. Pass?

You, South, hold: Spades A-K-Q-6-3-2, Hearts 7-4, Diamonds A-Q-J-3-2, Clubs none. What do you do?

A—Bid six diamonds. The slam should be cold if a club is opened. If a heart is opened, however, you must hope that your partner has the ace or king. So-called "scientific" bidding in a hand of this kind usually helps the opponents more than it does your partner.

TODAY'S QUESTION

The bidding is the same as in the question just answered. You, South, hold: Spades A-K-J-6-3, Hearts Q-7-4, Diamonds A-Q-J-3-2, Clubs none. What do you do?

Answer Tomorrow

What's Right?

A house is being built in your neighborhood and the builders have made it plain that they don't want children playing around or in the house.

WRONG: Make no effort to cooperate.

RIGHT: Teach your children to respect the property rights of others by forbidding them to play where they are not wanted.

Prayer for Today

Kind heavenly Father, during the vacation season, we thank thee for the beauty of thy world and for the privilege of enjoying it—mountains, hills, valleys, trees, fruits, neighboring birds and bees, flowers, clear streams, rivers, the ocean, sandy shores, swelling tides, beauties of sea life, friends, loved ones, and the hope of heaven. Amen.

—James Ross McCain, Decatur, Ga., president emeritus, Agnes Scott College.

WORST FIRE

Worst forest fire in American history is considered to be the Peshtigo fire in Wisconsin, October of 1871. Fire burned over 1,280,000 acres, homes, towns, and settlements were swept away by flames, and 1,500 persons perished.

Central Intelligence Agency Resembles in Some Respects Russian Secret Police, Hitler's Gestapo

(Copyright, 1953, King Features Syndicate, Inc.)

The Central Intelligence Agency, which Senator Joe McCarthy has the audacity to bring into question, is a secret bureau which definitely holds itself high above the people and all other elements of the government. In this and other respects it resembles the Russian secret police under its varying names and Hitler's Gestapo.

I have information which emboldens me to suggest that it has been the blind for smugglers who brought taxable stuff into the United States under diplomatic immunity and for black market profiteering in Europe during the era of almost unrestrained looting by carpetbaggers of the Roosevelt-Truman administration long after the war.

Last winter, in Phoenix, Arizona, two "operatives" of the CIA, one of them an old personal friend, entreated me not to publish anything derogatory to the CIA. One lived in Phoenix and the other in San Francisco. Both were on the regular payroll, but the amount of their pay and the value, if any, of their work, indeed the nature of that work, were to be taken for granted. Yet the CIA, in the trifle of information or conjecture which we are permitted to gather by gossip, is supposed to be engaged in spying on Soviet Russia and, latterly, Soviet China, in foreign lands, including friendly nations. I can conceive of no legitimate function for two paid agents of the CIA in Phoenix and San Francisco.

As I have written, Carmel Office, a State department bureau, who was secretary to William C. Bullitt when Bullitt was ambassador first in Moscow and later in Paris, has given a few fragments of information about the CIA. In the closing days of his service with the State department, he was arrested in Lafayette Park, Washington, on a charge of proposing a criminal act to a local policeman. Officially he had been sent, under orders of the State department, to keep a rendezvous with a stranger and was "framed."

The idea that ordinary Washington cops would so frame an innocent employee of the State department may be weighed against the now notorious fact that Senator McCarthy's early charge of prevalent homosexuality in the State department has lately been further confirmed by the dismissal of many more persons on this ground. Officially from State to the CIA and, in an interview with me, attended by a third person who was retired from State with the status of "minister," they were only a small amount apart in estimating that the CIA had handed over to the AF of L and the Garment Workers' Union, which is a part of the AF of L, about \$3,000,000 to carry on mysterious but unspecified work in European countries through two notorious anti-Kremlin Communists, by name Jay Lovestone and Irving Brown.

Brown had an absurd buildup in Reader's Digest and other publications whose best possible excuse would be gullibility. The entire edifice of heroic activities which was erected by propagandists in our press to enable this paltry hack unioneer crumbled under inquiry. But President Eisenhower has failed to challenge repeated statements by such propagandists in the press that Brown had his approval in his political mischief in foreign nations under the auspices of the CIA.

The Reader's Digest in its efforts to justify its endorsement of Brown quoted anonymous authorities in Washington, one of which plainly was the CIA itself. In that case an accomplice was invoked to testify to the good character of the person under inspection and get the Reader's Digest off the hook.

The latest attack on McCarthy was made by Senator Mike Monroney, of Oklahoma, a thoroughly committed member of the Roose-

Questions and Answers

Q—Is there a barking deer?

A—The muntjac or barking deer, found in India and the Malay Peninsula, barks like a dog when it is excited.

Q—Does a rocket need air in order to travel?

A—No.

Q—What is meant by "jerking" deer meat?

A—Jerking means smoking or sun-drying.

Q—What tribe of Indians shrunk the heads of their victims and preserve them?

A—The Jivaran tribes found in Ecuador and Peru.

Q—Who invented the Jirrikisha, the cart once so popular in Japan?

A—It was invented in Yokohama, Japan, in 1869 by an American Baptist minister named Jonathan Goble.

So They Say

War between the United States and Russia is inevitable.

—Dr. K. C. Wu, former governor of Formosa.

I play for a good peace that lasts so Richard didn't die for nothing.

—Mrs. Peter Riordan, mother of soldier killed in Korea.

The sentiment seems to be all against me.

—Sen. Robert A. Taft, on reaction to advocacy of fall session for Congress.

We are shooting them out of the skies 12-to-1 in Korea.

—Sen. Homer Ferguson (R-Mich) championing U. S. Air Force.

Labor and/or the International Garment Workers' Union and/or David Dubinsky, its president, and for what purpose and whether by check or currency or what other means? I should like to know all there is to be known about these details including the legal authority, if any, I should like also a detailed statement of the expenditure of the money.

To Byrd, Dulles explained that answers to such queries would lead to unauthorized disclosures of our activities and would be contrary to "the mandate placed on me by law" that the director of Central Intelligence shall be responsible for protecting intelligence sources and methods from unauthorized disclosure.

A beaten dog yips. Thus we have Mike Monroney shrilling against McCarthy for poking up an inquiry into an authoritarian outfit which has been having a wonderful time at our expense for years and setting the European peoples a frightful example of the American form of government.

A submarine can travel completely submerged with less than half the water resistance that occurs when traveling on the surface.

The Doctor Says:

New Developments in Eye Surgery Relieve Cataracts

By EDWIN P. JORDON, M. D.

The easiest way to describe cataracts is to liken them to what happens with a camera. When the lens of a camera is badly smudged, the picture which it takes will be cloudy. A cataract is similar. Clouding develops in that part of the eye which serves as a lens. Objects viewed through a clouded lens are no longer clear and sharp.

Cataracts usually develop in the later years of life. A cataract is one of the difficulties with vision which tend to occur with advancing age. Occasionally one can be present at birth and sometimes it is connected with certain diseases.

The amount of disturbance in sight depends on whether all or only a part of the lens is affected, and also on the degree of the clouding. For this reason persons with cataracts do not all have the same amount of difficulty. Also, cataracts vary in the speed with which the clouding of the lens progresses.

It is common to speak of a beginning cataract as "incipient" and, when it is full grown and not getting worse, as "mature" or "ripe". The general opinion is that there are no medical treatments, that is, drugs, which can

be used to dissolve the material which clouds the lens and to restore normal vision. This may come some day and promising work in this direction has been reported.

At present, the preferred treatment for cataract is an operation. Results are usually good. Formerly, it was necessary to wait until a cataract was mature, or ripe, before it could be removed. Now surgical methods are available which make it possible to remove a lens with a cataract on it at any stage. This is a tremendous advance as it may prevent years of poor vision.

CAUSES NOT KNOWN

The causes of cataract are not known, but certainly age plays a part and in some cases, diabetes, occupation, injury, or perhaps heredity.

There is no reason to believe that eye strain leads to the development of cataract, though of course it can lead to other disturbances of the eye. The most encouraging developments regarding cataracts are those in surgery, which often makes possible their removal before being ripe.

Tells Discontented Youth That Father Knows Best

I received this letter from a troubled farm boy:

"Since you help other, maybe you could help me. I live on a farm and my Dad works in a plant. The whole trouble is he doesn't want to do any work on the farm. He says he does his share by working in the plant.

"It was his idea that we move to a farm, but he expects my mother, my brother and sister, and myself to do all the work.

"I am 14 years old. My brother

is 12, and my sister is eight.

"The three of us and Mother have to milk the cows, clean the barns, feed the hogs, take care of the chickens, and even do the plowing.

"My Dad gets a day off a week but none of the rest of us do. Do you think he is being fair?"

Whether he is being fair or not is a question only your Mother and Dad can answer. It won't do any good for you to worry about it.

MANY FAMILIES NEED HELP TODAY

You might remember this, however. In a great many families today it is necessary for the man of the family to have help in earning a living.

That often means that the wife takes a job and the children are left to shift for themselves.

Your Dad has worked things out so that at least your Mother is at home with you. She may have to work hard. But she is there when you get home from school.

You may have to work hard. But don't forget that you are working to help your family gain some security.

You say it was your Dad's idea that the family move to a farm. But did it ever occur to you that perhaps he thought it was the only way he could give the five of you a good home and good food? He must also provide a little security for his old age so that you kids won't have to take care of him when he is too old to work in the plant.

If the five of you can pull together for a few years you'll be a stronger and more secure family than you will if you pull against each other.

Couple Married In Success Valley, California Recently

St. John's Episcopal church, Success Valley, Calif., was the setting for the June wedding of Miss Nina Foran, daughter of Mr. and Mrs. Clyde Patrick Foran, Success Valley, and Ronald James Messer, son of Mr. and Mrs. Jarvis H. Messer, Polo, Ill.

Magnolia blossoms, leaves, white gladioli and greenery decorated the church for the early morning wedding.

Given in marriage by her father, the bride was lovely in a waltz-length gown designed by Jay of Boston and fashioned of stiff white taffeta. The off-the-shoulder neckline framed a delicate gold cross and chain, a gift from the bridegroom. A wide cummerbund of taffeta encircled her waist and from it hung an overskirt of accordion pleated tulle. Her shoulder-length handkerchief point veil fell from a white taffeta cloche which was embroidered with seed pearls. The bride's bouquet was a white orchid surrounded by gardenias and sprays of stephanotis.

Radcliffe Friends

Bridesmaids were Miss Anne Jeffrey, Boston, Mass., the bride's roommate at Radcliffe and Miss Georgea Farmer, a senior at Mills college, Oakland, Calif. Carrying out the green and white color scheme their dresses of iridescent blue-green taffeta were identically styled with waltz length bouffant skirts. They wore matching cloche hats embroidered with pearls and tied with tiny veils.

Miss Susan Foran, sister of the bride, as maid of honor, wore a gown similarly fashioned of iridescent silver green. All of the attendants carried round bouquets of gardenias edged with green leaves.

The double ring ceremony was performed by Rev. Charles Brandon. Mrs. Virginia Beattie was nuptial soloist and Mrs. Pat Crockett, high school classmate of the bride, was organist.

Coming directly from their final exams at Harvard university, Cambridge, Mass., the three young men who have shared rooms with the bridegroom for the past three years, served as his attendants. Robert Smalls, Omaha, Neb., served as best man and William Weber, Minneapolis, Minn., and Samuel Robinson, Providence, R. I., were ushers.

A wedding breakfast was served to over 150 guests, immediately following the ceremony in the clubhouse of the Saddle club, which was decorated with magnolias and white garden flowers and greenery.

The mother of the bride welcomed the guests, attired in a Wedgewood blue silk shantung ensemble with white accessories and a pink orchid. The bride's grandmother, Mrs. Harriet Cameron, was dressed in navy blue and wore a spray of pink carnations. The bridegroom's mother was dressed in navy blue taffeta with a navy sheer redingote. She wore white accessories and a purple orchid.

The bridegroom's parents were in California for the wedding, as was his sister, Miss Bernadine Messer, Philadelphia, Pa. Other out-of-town guests from this vicinity were Miss Vernie Esterley and George Boddiger, Palo.

Immediately after the breakfast the newlyweds left by auto for Yosemite and Bass Lake. After a short honeymoon in California they will return to the east coast where they intend to spend the remainder of the summer at Martha's Vineyard, an island off Cape Cod. They will be at home in Cambridge, Mass., in September and will enter their senior year in college at Harvard and Radcliffe.

For her "going away" dress, the new Mrs. Messer donned an ensemble in shades of grey. The polished cotton sheath style dress was of charcoal grey and was worn with a sheer coat of a lighter shade. Her pillbox hat was tied with a grey veil and she wore white accessories and the white orchid from her wedding bouquet.

Many Swim Acts Thrill Audience In 'Aqua Parade'

Last night's first performance of the Mariner Scout's "Aqua Parade" was welcomed by many guests who attended the colorful swimming event presented at Dixon's Memorial pool.

Beginning at 8 p.m., the show utterly "dripped" with colorful costumes and bright lights. Under the direction of Mrs. Allen (Katie) Boyd, assisted by Miss Frances Lu Sorn, the Senior Mariner Girl Scout troop began their water extravaganza of 14 acts with the "Mariners Wheel" in which 12 girls participated. David Murphy was master of ceremonies.

To the music of "Sleepy Serenade" the second number, "The Snowflake," was presented by the 12 girls. "Water Babies," featuring Sally and Sam Van Scoyoc, Jerry Farster and Dolly Knelson, caught the crowd's attention as they sailed through the air and water.

"Flutter Fantasy" again brought out the Mariners, only 20 this time, who splashed beautiful water fountains around the pool. For a laugh, Jim DeYoung and Pete Schuler with their "Shenanigans," presented "goof" diving.

"The Accordion," a specialty formation in which 14 took part, showed the long hours spent in timing the accordion formation. A specialty was presented by Janet Thompson, Tom Murphy and Pete Schuler which brought many laughs from the audience.

In the "Rhythm of the Red Man," Jim DeYoung led a colorful Indian ceremonial in which the Mariners and Jim all kept time to the beat of a tom-tom. Decked in Spanish arm shawls, the Mariners used a high over arm side stroke as they swam to the music of the "Tango of Roses" in the colorful "Spanish Shawls" number. Tom Murphy, Pete Schuler and

Jim DeYoung presented a true-to-life bull fight with the seniorita, the bull and matador dressed in the appropriate costumes.

The "fastest swimmer in the world" sped across the pool in an under-water exhibition to the gasp of those attending. The swimmer: Janet Louise Wolfe.

The Mariners again invaded the pool decked in luminous paint for the "Glow Worm" presentation which was done in complete darkness. The next to the last act, a diving show by Pete Schuler, Jim DeYoung and Tom Murphy exhibited the superior diving talent these boys possess.

In the finale, the Mariners took a bow first and then presented a salute to the flag in the water. The swimmers were: Geraldine Adams, Sylvia Benson, Sally Capri, Judy Carlson, Frances Clausen, Marion DeYoung, Kathryn Drew, Anne Funnell, Jane Fitzsimmons, Helen Gorham, Pat Higgins, Bobbie Lee Jewett, Marjorie Johnson, Margaret Lebre, Betty Leer, Mary Ann Lovett, Louise Maves, Janet Newcomer, Maureen Rickard, Janet Thompson, Pat Trotter, Jackie Van Meter, Joyce Walker.

The many committees were commended on their effective planning. Mrs. Tom Bemis assisted by Mrs. Henry Lohse Jr., led the troop which has a membership of 27 girls. The second program will begin tonight at 8 p.m. in the pool.

I'M NOT AFRAID — The big, bad wolf doesn't scare Inger Kallak, 10, of Stockholm, Sweden, one bit. At least not when the wolf is just a cuddly bundle of fur like this one. Her father found it on a hunting trip.

Engagement of Joannie Hilda Is Announced

MT. MORRIS—Mrs. Anna Messer announces the engagement of her daughter, Joannie Hilda, to Peter D. Gottuso, son of Rev. and Mrs. Vincent Gottuso, Glendale, Cal.

Nuptials will take place Sept. 27, 1953. The setting of the ceremony and reception will be the fashionable home of Mr. and Mrs. Mario Gottuso, Alhambra, Calif.

The bride elect is a graduate of Mt. Morris high school and Saint Vincent's college of nursing, Los Angeles, Calif. The bridegroom elect is formerly from Rome, New York and is now employed at Lockheed Aircraft Factory, Burbank, Calif.

At a cocktail party held in the Hollywood, California home of Miss Beverly Golms, announcement was made of the betrothal of the couple.

Before buying any hearing aid, you owe it to yourself to try the 1953

State Fair Lists Varied Program for 10-Day Run

SPRINGFIELD, Ill. (AP)—The Illinois State Fair launches its second century with a 10-day run Aug. 14 to 23.

This year's edition of the state's premier agricultural show will feature the usual broad array of agricultural, entertainment, sports, and miscellaneous events, plus a few new ones.

In keeping with the times, an atomic energy display will be pre-

sented as one of the new attractions. A junior olympics sports program has been added for young athletes. Another innovation opens horseshoe competition to women.

Total premiums will hit an all-time high of \$612,000, thanks to a huge increase in harness racing awards, although those for traditional events other than sports will fall about \$25,000 below the 1952 mark of \$335,000.

The original state fair, staged in 1853, offered prizes of \$994.

Livestock awards in open classes will total \$137,305. Junior stockmen, who show their cattle, swine and sheep over the first fair weekend will compete for \$18,000 more.

There are also little wads of money for winners of contests in bee keeping, agriculture, floriculture, baton twirling, the hobby show, high school band contest, stamp show, horseshoe pitching, and children's skill and novelty tests. The typical farm family will get \$1,000.

General Manager James E. Tays said the state administration has cut down premiums "on pretty nearly everything—a little on each one."

Despite this, he told a newsman, the total premium level rose to a record high because of legislative action doubling the pair of 1952 Illinois colt stakes and raising the stakes' prize outlay from \$100,000 in 1952 to the current level of \$260,000.

Fair visitors will see changes in some traditions.

The usual "Youth Day" designation given to the first Saturday is erased. The day is retitled "Labor Day," and youth will share opening "Children's Day" with the smaller fry.

Gate charges after 6 p.m. have been abolished. Last year, admission cost 50 cents until 9 p.m.

Governor Stratton has prohibited the sale of beer on the fair grounds.

The fair usually gets off to a slow start, then sweeps rapidly through a heavy program of livestock judging.

This is interrupted in mid-week as Republicans and Democrats take over a day each for political speechmaking. More livestock shows and the grand circuit harness racing program carry the bulk of the program through the week. Then, a parade of hooved champions, and auto and motorcycle racing will wind up the show.

Sen. Douglas Offers 'Code' For Inquiries

WASHINGTON (AP)—Sen. Douglas (D-Ill.) has offered congressional investigators 10 commandments he says would neither handicap such inquiries nor abuse the rights of witnesses.

He appealed, in a senate speech Thursday for adoption of his proposal by "all believers in fair play."

Douglas' 10 commandments included: Unreliable witnesses should not be allowed to wreck reputations. Testimony adversely affecting any person should be corroborated in private before being aired publicly.

Derogatory material not publicly developed should not be "leaked" to the press or private citizens. A person likely to be adversely affected by public testimony should be invited to appear and make a statement.

Accused persons should be allowed to cross-examine their accusers and produce witnesses on their behalf.

East Dubuque to Chicago Railroad Service Curtailed

CHICAGO (AP)—The Illinois Commerce Commission today authorized the Chicago, Burlington and Quincy Railroad to discontinue two passenger trains operating between Chicago and East Dubuque, Ill.

They are trains, 45 and 52, operating on Sunday nights and Monday mornings.

The order is effective in 30 days.

Dixon Scouts Tell More of Jamboree Trip

Another letter from the Jamboree Scouts was received by friends in Dixon. The Scouts are in California for the Boy Scout Jamboree. The letter reads as follows:

"Dear Friends,
"On July 11 we awoke in the mountain town of Colorado Springs. Having a good breakfast under our belts, we were ready to go to the 'Garden of the Gods,' the day's sightseeing attraction.

"The Dixon Scouts, along with some others, boarded buses to tour the city, ending up at the garden. We toured the park, seeing Steamboat rock and the Kissing Camels.

"When we left Colorado Springs, we entered the most beautiful part of the trip so far, the Rocky Mountains. We wound through the mountains, following the Arkansas river.

"The climax of our afternoon was the stop in the Royal Gorge. We stayed there for about 10 minutes, taking pictures of the suspension bridge. The rest of the day was spent traveling.

"We arrived in Salt Lake City the next morning dressed in full uniform to attend church at the Mormon Tabernacle. The highlight of the service was the playing of the 'Lost Chord' on the Tabernacle's organ, which is the world's largest.

"At 11 a.m. we took a dip in the Great Salt Lake. Everyone enjoyed himself very much. At 1:30 p.m. we went to lunch and then boarded the train. The next stop will be Irvine Ranch and the national Jamboree!

Sincerely yours,
Austin
Rudy
Arden
David"

Plans Revived for Rock Falls, Joliet, Mattoon Armories

CHICAGO (AP)—The State Armory Board has revived plans for armories at Joliet, Rock Falls and Mattoon.

The board met Thursday and dug plans for the three projects out of the files.

Maj. Gen. Samuel T. Lawton, board chairman, said "We are proceeding actively on them."

Lawton said the meeting was preliminary to a restudy of the whole program for the three armories.

"They are old projects, and we'll have to go over the plans, titles and costs," he said.

The chairman said passage of an appropriation including funds for rental of the tree proposed armories cleared the way for action by the board which would finance the new structures through bond issues. The bonds would be retired by rentals paid by the state for use of the buildings.

Board members said estimates on the probable cost of the buildings must await completion of detailed plans.

Obituaries

MISS ROSE CALHOUN
Funeral services for Miss Rose Calhoun, 66, Dixon, will be held at 10 a.m. Saturday in the Jones funeral home with the Rev. Malcolm D. Ludy of the First Presbyterian church officiating. Burial will be in Oakwood cemetery.

Miss Calhoun, who died Wednesday in the KSB hospital after a short illness, was employed at the Nachusa house. She was born in Gransbury, Ill., on Nov. 6, 1886.

Too Intoxicated

CHICAGO (AP)—George Singer, 50, a window washer, appeared in auto safety court Thursday on a drunken driving charge but his case was continued to July 22 because, Judge Joseph S. Geary said, Singer was intoxicated. Singer told the court he had to drink to keep up his nerve while washing windows 44 floors above the street.

Boy, 3, Tipsy

PHOENIX, Ariz. (AP)—A three-year-old boy went on a binge here. He found 20 partially empty wine bottles tossed near his house and consumed what was left.

An ambulance man revived the lad and a doctor subsequently reported no damage was done.

Governor Approves Bill Raising Pension Ceilings

SPRINGFIELD, Ill. (AP)—Gov. Stratton approved today a bill that raises Illinois old age pension ceilings from \$65 to \$75 monthly.

Actually, pensioners have been getting more than the \$65 because of an arrangement which raises payments as the cost of living goes up. The current maximum award is \$71.

Only a comparatively small number of the 110,000 pensioners received the \$71 because grants are based on need.

During legislative debate on the bill, it was said that the new maximum of \$75 might boost state pension costs as much as \$400,000 for the next two years.

Veto Eight
Stratton's approval went on 31 measures today and his veto on

15,000 Drug Addicts Are To Register

SPRINGFIELD, Ill. (AP)—A state official looks for registration of 15,000 narcotics addicts under a 1953 Illinois law requiring such persons to sign up with the State Registration and Education Department.

The estimate was made by Vera M. Hinks, department director. She said 7,000 addicts were expected to register in Chicago.

Under the new law, addicts who neglect to sign up are subject on conviction to six months to a year in jail, and those who fail to carry registration cards, to a fine up to \$100.

UN Forces

(Continued from Page 1)

Forrest Edwards called the Kumsong counterattack the biggest Allied advance since late autumn, 1951.

Taylor said U. N. units recovered rapidly from blows of the Chinese offensive, which he estimated at a strength of 10 divisions—80,000 to 100,000 troops.

Regrouped Units
"Commanders have regrouped their units and have pressed back to contact with the enemy, in the first resumption of open warfare in nearly two years," he said.

"The attack has been intermittent across the front during the past two days," Taylor said, with the exception of the two major ROK actions at Kumwha and in the Kumsong Valley, about 15 miles apart. Presumably there were U. S. troops somewhere between.

Taylor's statement said only that the U. S. 9th Corps was defending part of the front hit by the Red onslaught. There was no indication which divisions were on the line.

Latest available information showed the 9th Corps made up of the U. S. 40th, 3rd and 45th divisions and the ROK 2nd and 34th divisions. The Turkish brigade, Philippines battalion combat team and Greek battalion were attached to the U. S. 3rd Division.

Allied pilots hammered the Reds with 1,272,000 pounds of bombs, mainly at the front, in more than 500 strikes, the Air Force said. A flight of Sabre jet fighter-bombers reported destroying six rarely-seen Red tanks and two trucks in a convoy near Kumwha.

Hurl Bottles, Two Are Fined

Two Dixon men were fined Thursday night after being arrested by Dixon police.

Harry Spotts, 1012 Madison av., was fined \$20 and costs for throwing bottles at cars. He was arrested by Dixon Police Officers Loesch and Gilbert and arraigned before Justice of the Peace Lawrence Boos.

Richard Ashford, 1008 Madison av., was fined \$5 and costs for running a stop-sign at Third street and Sherman avenue. Loesch and Gilbert made the arrest. Ashford also was arraigned before Boos.

Out of Season

PHOENIX, Ariz. (AP)—With the mercury above the century mark, a woman reported to police her dog ran away while she was walking him.

The woman said the dog answers to the name of Snowball.

16 Still in Judging for Miss Universe

LONG BEACH, Calif. (AP)—Which of 16 near-perfect contestants is the most beautiful girl in the world?

The answer—sure to give judges of the Miss Universe contest some uneasy moments—will be known tonight.

There were at least 16 impressive performers in the field of 26 competing in Thursday night's preliminaries, judging from the applause of 2,500 spectators in Long Beach Municipal Auditorium.

The judges somehow accomplished the job of narrowing the group to 16 semifinalists, but their identity will not be announced until tonight. From there, the field will be cut to five finalists, from whom will come Miss Universe.

The most popular girls, on the basis of audience reaction, included Christiane Martel of France, Turkey's Ayten Akyol, Japan's Kinuko Ito, Italy's Rita Stazi and the newly crowned Miss United States, Myrna Hansen of Chicago.

The beauty of the lavish evening gowns brought gasps from the feminine portion of the crowd. The men showed more enthusiasm for the bathing suit competition, especially when Miss United States, Miss Italy and Canada's Thelma Brewis walked down the runway.

The 16 semifinalists will do their stuff in both formal and swim suits again tonight, and will undergo a slight test of personality and poise. Each will be asked to say a few words in any language she pleases.

Two Wills to Probate Here

Two wills of late Lee county residents were admitted to probate in Lee county court today by Judge Helen Rutkowski.

Francis M. Murphy, 415 Ninth st., Dixon, nephew of the late Mrs. Mary Meeks, Dixon, who died May 27, 1953, was named executor of his aunt's \$5,000 estate in personal property.

According to the will of the deceased, her nephew, Francis, will inherit her home and the remainder of the estate after the following bequests have been made: \$500 to St. Patrick's church, Dixon; \$200 to St. Mary's school, Dixon; \$200 to St. Vincent's orphanage, Freeport; \$250 to Margaret Lautzenheiser, South Dixon township; \$100 each to nieces Margaret Hoyle, Lee county, and Marie Shannon, Chicago; \$500 to John Colwell, nephew, and \$500 to John Colwell for the use of Joseph Colwell, nephew.

Mrs. Martha Kaecker, Ashton, was named executrix of the estate of the late Andrew C. Kaecker, Ashton, who died June 22, 1953, at Dixon.

The entire estate of \$5,000 in real estate and \$1,000 in personal property was left to Martha Kaecker, widow of the deceased.

Dixon Man Fined \$15 at Compton

Rudolph Kessler, Rt. 3, Dixon, was fined \$15 and costs today after pleading guilty to a charge of disregarding a stop sign in Compton, which resulted in an accident.

Kessler was arraigned before Justice of the Peace William Archer, Compton, after his arrest by State Police Officer Robert Fischer, Dixon.

The defendant suffered minor injuries when the car he was driving collided with that of Claude R. Wilson, Washington, Ill., in attempting to drive onto Rt. 61 in Compton.

Fischer charged that Kessler failed to stop at the sign. Damage to the Kessler car amounted to \$200, and \$500 to the Wilson vehicle. Wilson was not injured.

Hospitals for Polio Tripled in Illinois

SPRINGFIELD, Ill. (AP)—Hospitals providing care for polio patients have nearly tripled in Illinois since 1950, the State Health Department said today.

In 1950, a total of 65 hospitals gave either diagnostic treatment or rehabilitation or some other service or combination of services to polio victims.

This year, 189 hospitals are offering services. Since 1905 beds for polio sufferers increased from 531 to 1,200.

Man Without Passport Still In the Brig

HONG KONG (AP)—Michael Patrick O'Brien, the man without a passport, Thursday ended his 10th month aboard the Hong Kong-Macao ferry, still in the brig.

O'Brien, who says he is an American and his real name is Steve Ragan, came out of Communist Shanghai last summer on a set of Red Cross papers which the Chinese had recognized.

Portuguese Macao would not accept them without a passport and permitted him to enter only on condition he leave for Hong Kong immediately.

At Hong Kong, the British refused to permit O'Brien to disembark without a passport, so he began his forced, unending shuttle trip over the 40-mile daily route of the ferry Lee Hong.

The 57-year-old Marine engineer, bartender and restaurant keeper got in an argument with the skipper in March and was ordered to the brig, a particularly hot, stuffy place at this time of year.

Auto Crashes During Storm

Jack Symons, Dixon, suffered bruises Thursday night when the car he was driving skidded off Rt. 26, near the Plum Hollow golf course, and ran into a pole.

According to Symons, who reported the accident to Lee county authorities, the accident occurred during a heavy downpour between 10:30 and 11 p.m.

Redebaugh said that Symons was heading towards Dixon when he went off the road. Damage to the car was extensive.

LEGAL PUBLICATION

NOTICE OF LETTING
Sealed bids will be received at the office of the County Superintendent of Highways until 10 o'clock A. M. (Daylight Time) Thursday, July 23, 1953 for the following:

Palmyra Township—Section 101-TR 3755 cu. yds. gravel or crushed stone surface course, type B. Estimate spread on road.

Alto Township—Sections 101-TR and 102-TR.
2007 cu. yds. gravel or crushed stone surface course, type B. F.O.B. trucks at pit or quarry.

2553 cu. yds. gravel or crushed stone surface course, type B. F.O.B. trucks at pit or quarry. Bid blanks may be obtained at the office of the County Superintendent of Highways. No bond required. Proposal guarantee will be required.

By order of:
Lee County Road and Bridge Committee,
Fred Leake, Jr., Co. Supt. Highways,
July 17, 21, 1953

No Atom Guns Are Overseas

WASHINGTON (AP)—None of the new atomic cannons are overseas, the army said Thursday in response to questions prompted by rumors that some of the big weapons have been sent to Korea.

Continuance

HOBBS, N. M. (AP)—If Francis Cassidy has a good memory he'll answer a summons he got Thursday for overparking.

It orders him to appear in Municipal Court July 16, 1957.

Oklahoman Heads Free Will Baptists

MOUNT VERNON, Ill. (AP)—Free Will Baptists re-elected the Rev. E. E. Morris of Oklahoma City, Okla., as their moderator Thursday at the close of their annual convention.

Mr. Morris told the 1,000 delegates from all parts of the United States and three foreign countries that the church now has 400,000 members and that 17 new churches were organized during the past year.

The 1954 convention will be held in Spartanburg, S. C.

Mr. Morris said in a closing address: "In all of our growth, we must beware of the danger that we will preach reformation rather than regeneration, that we will try to make our decisions on theories rather than spiritual experiences."

The Rev. Jack Kettleman of Ewing, Ill., was elected a member of the general church board.

Must Pay Toll To Visit Illinois State Parks

SPRINGFIELD, Ill. (AP)—Teen-age and older visitors to seven Illinois state parks will pay 10 cents admission starting next Thursday, and another dime for each car they drive in.

State Park Sup. Robert G. Miley said today he does not plan to collect two cents federal tax on each gate fee. Persons 12 years and older will pay admission as required by a bill signed by Gov. Stratton last week.

The parks are Grand Marais, Mattheisen, White Pines, Illinois Beach, Mississippi Palisades, Pere Marquette and Starved Rock.

Miley said toll gates and collectors will be established at strategic points. In some cases, he said, fences would be erected as an aid to collection.

Auto Crashes During Storm

Jack Symons, Dixon, suffered bruises Thursday night when the car he was driving skidded off Rt. 26, near the Plum Hollow golf course, and ran into a pole.

According to Symons, who reported the accident to Lee county authorities, the accident occurred during a heavy downpour between 10:30 and 11 p.m.

Lee 4-H Entertainers Tops in District Meet

Next Step Is Trip to State Fun Festival

AMBOY—Against the best 4-H entertainers that eight other counties put up against them, five 4-Hers from Lee county took top honors at the district "Share-the-Fun" festival held at Dixon Loveland Community building Tuesday.

The county extension office announced the winning act was a dance band from East Grove Cubs 4-H club with Dick Lohse as director, and Don and Charles Rogers, Wayne Kerchner and Richard Angier participating.

They are now assured a place on the state-wide 4-H Fun Festival finals program and a chance for a trip to the Share-the-Fun breakfast at the 1953 4-H Club Congress in Chicago as guests of United States Rubber company, which sponsors this 4-H activity.

The other Lee county participants taking "A" ribbons were:

Grove Girls 4-H club, with a stunt and Palmyra Hobbies, with a square dance. Counties participating were: Winnebago, Whiteside, Stephenson, Ogle, Lee, Jo Daviess, Carroll, Bureau and Boone.

Mr. Morris Notes

MR. MORRIS — Dr. and Mrs. David Stevens and children were to leave today for a two week outing and fishing trip at Lake Huron, Mich. Dr. Stevens plans to spend part of the time at Michigan State college.

Mr. and Mrs. Fred Isenhardt are planning a trip next week to the Ozarks.

Mrs. Merlino Root and sons, Bill and Jim, leave Saturday for a three week vacation trip to Colorado Springs, Colo., where they will visit her mother, Mrs. Ed Hill, at the Hill ranch.

Mrs. Caroline Kendal and June left by plane Tuesday for Atlanta, Ga., to visit their daughter and sister, Mrs. Lynn Cuddy. Mrs. Kendal plans to spend a week with her daughter and husband, Cpl. Cuddy, while June will remain for a month.

Mr. and Mrs. Fred Scheffer jr. are the parents of a girl, Nancy Anne, born Friday, July 10. Nancy joins a sister, Cheryl Jean, 15 months old. Mrs. Scheffer is the former Dorothy Zumwalt.

Guests in the Phil Orr home four days this week were his parents, Mr. and Mrs. Louis Orr of St. Paul, Minn., and his sister's family, Mr. and Mrs. Roger McDougall and two children from Owatonna, Minn., who were on their way for a trip east.

Mr. and Mrs. Howard Stouffer, Mrs. Fred McCready and Mrs. Ethel Benoch are on a two week's motor trip into the Great Smokies, planning also to continue farther south to visit relatives.

Mrs. C. E. Ruthers' sister, Mrs. George Olson, Chicago, has been visiting in the Ruthers home several days this week.

A/2c Royal Wells arrived home Wednesday for a ten day furlough at the conclusion of which he will report to Tyndall air force base near Panama City, Fla.

TALMADGE REUNION

The annual Talmadge reunion was held Sunday in Lowell park, Dixon.

Those in charge of the reunion were Mr. and Mrs. Warren Plummer, Mr. and Mrs. David Miller, Mr. and Mrs. Lester Schick and Mary Ellen Plummer. A picnic dinner was served.

Fifty-one persons attended the reunion which was held in honor of the late Mr. and Mrs. Frank Talmadge, Nelson.

Make Plans for 30th Polo Festival July 29 and 30

POLO—Plans are moving along rapidly for the completion of arrangements for the 30th annual festival to be held July 29 and 30. On Wednesday, youngsters under 12 years will be admitted to any of the six rides of the Peck Amusement Co. for nine cents. A free pancake breakfast will be served from nine until 10 o'clock each morning. "Red" Blanchard and his WLS stars will appear on the program Wednesday afternoon and evening. Mrs. Charles Ketter's pupils will present a dance review and music will be furnished by the Dixon State hospital band.

The crowning of the festival queen will take place at nine

Ohio Notes

OHIO—Mrs. Lavon Martin, nee Frieda Mullen, in a letter from Alaska to Mrs. Henry Albrecht said she witnessed total darkness at noon recently due to the eruption of a volcano. Mrs. Martin lives at Anchorage where her husband is a member of the air police squadron.

The Rev. Father T. C. Wujek has returned from St. Mary's hospital, LaSalle, having been a patient there for several weeks. He announced that daily mass will be at 7:30 a.m., Sunday mass at 7 and 9:30. Confessions Saturday, 4 to 5 p.m. and 7 to 8.

Micky Gugerty, son of Mr. and Mrs. Paul Gugerty of Dixon is visiting at the John Gugerty home.

Jerry Schall, Berry, Ill., visited his aunt, Mrs. Louis Walter, her husband and Patricia, Monday evening en route home from Chicago.

Miss Esther Hickey will go to Cleveland, Ohio, Monday for an extended visit at the home of Mr. and Mrs. Lawrence Mihalik and son.

William Dunn of Washington, D. C., Dorothy Kluft of Chicago, and Joe Dunn of Aurora are visiting at the James Dunn home. They called on Mrs. M. F. Dunn here Monday.

The Helpers club will hold its annual picnic at the Howard Anderson park Sunday, July 19.

Ed Fahs has sold his Cities Service Oil Station business at the intersection of Routes 26 and 92 to Richard Schall, Princeton, and will give possession July 18. Mr. Schall and his wife and family will move to the home of Mr. and Mrs. Frank Faley on Lawn Hill. The Faleys will move to the Dick Meyer home on Main street.

Mr. and Mrs. Orville Porter jr., Salem, who attended the funeral services for their nephew, John Lewis of Buda, spent a few days here with Mr. and Mrs. Harry Moore.

The Dorcas Circle of the Methodist church will meet Tuesday, July 21, at the home of Mrs. Minnie Spooner.

Mrs. Roy Brown will leave this week to spend two weeks at the home of Mr. and Mrs. Foster Brown at Ladysmith, Wis.

Professor Speaks At Oregon Rotary

OREGON—Professor Nicholas D. Cheronis, New York, N. Y., spoke Thursday at the regular meeting of the Rotary club.

His topic was "Modern Aspects of Agriculture." The professor was introduced by club chairman Jack McGuire.

Thursday evening. There will be a flower show and art exhibit at the Presbyterian church, various street concessions, fortune telling as well as many other attractions.

3 Area Men to Arrive Home From Far East

SEATTLE — The USNS Marine Adder is scheduled to arrive at the army's port of embarkation here today or Saturday with 2,017 passengers from the Far East.

On the passenger list are 1,306 Army enlisted men and 111 officers.

Those from Illinois include:

Sgt. Richard A. Kerr, 606 2nd st., Oregon.

Sfc. Donald R. Snyder, Rt. 1, Byron.

Cpl. Glenn W. Kilker, Rt. 1, Leaf River.

St. Anne's Society Installs Officers

HARMON—St. Anne's society installed new officers at a meeting in the church parlors Wednesday evening.

The meeting was called to order by the outgoing president Mrs. Ray Ribordy, and opened with prayer led by the Rev. David Murphy. The treasurer's report of the year was given by Mrs. Don Anderson.

The meeting was turned over to the new officers: Mrs. Francis Clinton, president; Mrs. John Ryan, vice president, and Mrs. Joe Hermes, secretary-treasurer.

A short business meeting was held, and the meeting time was changed to the third Wed. of the month. Refreshments were served by Mrs. Ribordy, Mrs. Thos. Rock and Mrs. Anderson, the outgoing officers.

Recommend Unit School for Polo

POLO — The school problems group of the Polo area has recommended consideration of the community unit type of school district. The group made its recommendation that the community unit idea be presented to the area residents during a meeting Monday. Members of the organization have looked into several other types of schools and heard speakers discuss the advantages of the different systems.

The group is made up of school board members from rural and Polo schools.

CYCLOPS KITTEN?—Look carefully at the little kitten cuddling up to its mother in Palermo, Italy. It is a modern-day "Cyclops," a feline version of the ancient Greek one-eyed man. Named "Polyphemus," the kitten's one eye is placed perfectly in the center of its forehead.

Nelson Maps Traffic Plan

Has Offer of Free Blacktop for Part Of Butler Street

NELSON—The village board in a special meeting Thursday night planned a traffic enforcement program to alleviate a problem that had aroused many residents, and received a promise for a free blacktop job on a recently graded section of Butler street.

The section of the street involved in the discussion runs from the C & NW railroad tracks north to the north end of Nelson cemetery. Residents said the speed of gravel trucks using the street was a danger to children and caused much dust.

Donald Butler, representing the Butler Sand and Gravel company, Franklin Grove, said the company would blacktop the road according to state specifications free of charge. He said work might get under way Monday.

Under the traffic enforcement plan, village board President Paul Timmons will appoint a town marshal with authority to make arrests. "Slow" signs and signs designating speed limits will be set up on the approaches to the street. The speed limits and other details are scheduled to be ironed out at the next regular board meeting.

Club Makes Plans For 'Nelson Day'

NELSON—The monthly meeting of the Nelson Community club was held Tuesday evening at the village hall with 20 members present.

Three new fluorescent lights have recently been installed at the hall and are a great improvement. A new oil furnace also was installed.

It was suggested by Paul Timmons, president of the village board, to donate money to benevolent purposes instead of helping with the expense of the new lights as was formerly proposed by the members. The club thanked Timmons for his suggestion.

The ladies have decided to have clean-up day and the hall will be given a thorough cleaning.

Next on the agenda were plans for "Nelson Day," which is to be held the third Sunday in August. Chairmen of committees were appointed as follows: Prizes, Betty Schnake; food, Doris Wilder; finance, Lucille Sherry; parade, Edward Janssen; publicity, Flo Stutz; child recreation, Paul Timmons; program, Myrtle Weber; cards, Helen Jones.

Bins also will be set up at Adeline.

Stengel said the new bins will relieve a serious storage problem.

Rock Falls Man Says 'Innocent' To Robbery Count

PEORIA, Ill. — Alfred J. Kahler, 22, Rock Falls, pleaded innocent Thursday to a federal indictment charging bank robbery.

He was released under \$5,000 bond.

Kahler was indicted by a federal grand jury in Springfield July 3.

He is accused of robbing the Farmers State Bank at Sheffield, Ill., Oct. 23, 1952, of some \$2,000.

Donald R. McGill of Jonesboro, Ark., and James L. Hudson, Rock Falls, also were seized with Kahler several days after the robbery. They pleaded guilty to the robbery charge and are now serving five-year prison sentences.

He is accused of robbing the Farmers State Bank at Sheffield, Ill., Oct. 23, 1952, of some \$2,000.

Donald R. McGill of Jonesboro, Ark., and James L. Hudson, Rock Falls, also were seized with Kahler several days after the robbery. They pleaded guilty to the robbery charge and are now serving five-year prison sentences.

Amboy Soldier Is Stationed Abroad

AMBOY—Mr. and Mrs. John McBride, Rt. 1, Amboy, have received word from their son, Pvt. Harold McBride, that he arrived safely and spent a short time in Germany. Then he and about 20 other boys were sent to England.

There he will continue his leadership training. His present address is: Pvt. Harold McBride, US 5533273, HQ'D-8HQ-BTRY, 30th AAA BN, APO 22, c/o Postmaster, New York, N. Y.

Not quite as famous as its western brother, Texas' Colorado River rises in northwestern Texas and empties into the Gulf of Mexico.

DISLIKE FLYING
Birds prefer not to fly. They fly to obtain food and to escape from their enemies. Birds living in regions free from carnivorous animals tend to lose their flying ability.

Lincoln Golfers Play Tomorrow

Clinton to Defend Title In Tourney

Country Club Looks For Revenge; Plum Hollow Stronger

The major area golf tournament, the Lincoln Highway event, gets underway at 9.30 a. m. tomorrow with a 54-hole match deciding the team and individual winners. The tourney will be played at the 18-hole Clinton course where Clinton is defending champion. A 27-hole round will be played tomorrow with the event winding up with 27 holes Sunday.

The Dixon country club, which has won more than its share of the 30 previous meets, heads the list of nine contenders for the crown. Plum Hollow, Mt. Morris, Oregon, Rochelle, Rock River (Sterling), Morrison, DeKalb and Princeton, Emerald Hill (Sterling), also take a crack at the Clinton title.

Dixon, second last year when they lost by a single bogey, 14-15, ranks among the favorites while a strengthened Plum Hollow team cannot be counted out.

Possible Threats

Oregon, headed by Jack Waddell and Mt. Morris, led by Jim Lamb, are also possible threats.

Dixon features a strong, well-balanced attack headed by Bill Witzleb and Ned Sack, both of whom beat bogey by 12 in qualifying for the team. Rounding out the squad are Bill Mooney, Ray Burman, Hank Henry and Leo Whitman. Only Witzleb and Henry competed last year. Whitman was an alternate but did not get the chance to play.

New Team

Plum Hollow will have an altogether new team making the trek to Clinton. Headed by Ken Detweiler and Frank Lessner, who last year made the country club team, the Plum Hollow team will carry plenty of strength in the top three positions. Running third is Oscar Witzleb, who last year was second place honors while Marvin Siler, Tom Clithero and Red Ellis, round out the squad. Ken Wahler, who made the Plum Hollow team last year, will be an alternate.

Jim Lamb, a strong contender for individual medal honors, leads the Mt. Morris sextet of Everett Henderson, Bill Burkland, Ray Arnold and Glenn Alter. Jim Fridley and Norm Smith are alternates.

Iverson Defends

Jack Waddell, runner-up two years ago, heads the Oregon aggregation of John Franklin, Joe Reed, Jim Schryver, Bill Feater and Dr. Merkel. Along with being defending champion, Clinton, has the defending medal champ in Bill Iverson, who last year beat out Jim Bessenfelder, DeKalb, by two strokes and Ken Detweiler by three strokes. Jim Lamb was fourth and Ed Zastro was fifth.

What Major Loop Managers Claim Of Their Teams

NEW YORK — (U) — What the managers say: "Who is the most valuable player in the National League? That's easy — Red Schoendienst. We're an entirely different club with him out of the lineup. We can't afford to lose him for one game, or even one inning."

Paul Richards, White Sox: "I believe Billy Pierce is the best pitcher in the American League. He has developed the confidence every pitcher needs to be a big winner."

Jimmy Dykes, Athletics: "I've never known a team to be hit as hard and as long as we have by injuries. Bobby Shantz, Elmer Valo, Eddie Joost, Joe Astroth, Alex Keiller — the backbone of our club, and all out for long stretches. I'm afraid they'll get so far down they won't be able to pull themselves up."

Fred Hutchinson, Tigers: "I am firmly convinced we'll finish higher than St. Louis and Philadelphia. Our pitching has picked up considerably in recent weeks and the club is looking better as a whole."

Butler to Hurl for Dixon Saturday

DIXON'S JUNIOR AMERICAN LEGION baseball team will be counting heavily on the big bats of the above boys to carry them to the regional title over the weekend. The team meets North Chicago at 2.30 p. m. tomorrow. Left to right: John Gorman, Dean Nicklaus, Jerry Curran, Gene Goral, Don McCune and Leo Boyle.

Nelson Set For Sunday If Club Wins

Legion vs. North Chicago in Second Game Tomorrow

Larry Butler, south paw from Ashton, will get the starting nod for Dixon in tomorrow's opening round play in the Junior American Legion baseball regional tournament at Foss field, North Chicago.

Manager Red Flanagan reported he would go along with the hurler who had brought the Dixon team through the district tourney unscathed. The Legion meets North Chicago, host for the tournament, at 3.30 p. m. following the Rockford-Elgin contest at 1.30 p. m. The winners of the two games will meet at 1.30 p. m. Sunday for the regional title.

Right Hander

If Dixon wins Saturday, Flanagan will start Ray Nelson on Sunday and hold Leo Boyle and Don Nafziger in relief. Nelson, a native of Ashton, like Butler is a right hander on the mound and a switch hitter at the plate.

With Butler pitching, Flanagan will send Jack Goral to first base in the expected absence of Jerry Curran, Don McCune of Franklin Grove, to second, Nelson to short and Nafziger to third. The outfield, from left to right, will be Boyle, Gene Goral and John Gorman. Dean Nicklaus will do the catching.

No information is available on the North Chicago team.

Want Rockford

If victorious Saturday, Nelson will pitch and Butler will go to first base. Nafziger will move over to shortstop and Gene Goral will come into third base.

In the outfield, Boyle will move to centerfield and Jack Goral will go to left.

The team is hoping to get through the first round of play if only to get a crack at Rockford, the only team to have defeated Dixon this season. And Rockford did it twice, both times on last inning homers.

The team will leave about 9 a. m. tomorrow and go directly to the Foss Park auditorium where they will change and be transported to the field. Supper will be furnished and to the two winners, a night's lodging and meals on Sunday will be supplied. The losers will return home Saturday night.

Ramson Hurls Fourth Shutout In Church Play

ST. PAULS 15, Second Baptist 0. Methodist 16, Bethel 5.

St. Pauls won its fourth game without a loss and Methodist is fast becoming a threat in Church softball league after action last night. Methodist dropped its first two ball games but has since won three in a row. Last night they defeated Bethel, 16-5 on the strength of a 10 run third inning.

Bethel outlasted the winners, 10-8, but defensive lapses proved too costly. Wigginton for Bethel and Fleming for Methodist, slammed out homers.

In four games, Ramson, St. Pauls' pitcher, is yet to be scored upon. Last night, Ramson hurled a four hit shutout as St. Pauls whipped Second Baptist, 15-0, in a five inning game.

Bollman, Eckhart and Wasse, each collected two hits in the St. Pauls nine hit attack. The winners broke the game wide open in the first inning with seven runs and then followed it up with four in the second.

Shrine Hopes For 2nd Place Jolted by Elks

Games Today: All games postponed, rain. To be played July 27.

Yesterday's Results: Zeien 9, Fuls 1. Elks 5, Shrine 3. K.C. 19, Hey Bros. 11.

Shrine's second place aspirations in Jaycee major league play suffered a jolt yesterday when they bowed to Elks, 5-3. Shrine now must win both its last two games and hope that the Elks and Zeien lose one at least.

Shrine, in losing, dropped to a 7-6 record while Elks now have an 8-5 mark. Second place Zeien has a 9-5 record with one game to play. In other action, Zeien trounced Fuls, 9-1 and K.C., who have already clinched the flag, got past Hey Bros. 19-11.

Zeien wasted little time in winning their ninth. They scored four in the first, three in the second and two in the third.

Hey Bros. game the champs a scare as they trailed only 7-6 after two innings of play. But a nine run third against only five for Hey Bros. settled the issue as John Wooten came on in the fourth to shutout the losers.

Elks scored all five of their runs in the third inning to defeat Shrine. Laddy Canfield had his curve working well as he set Shrine down with five hits.

Scott Wins Jr. Open Golf Title

CHICAGO — (U) — Medalist Ken Scott of Rockford, appearing in the tournament for the first time, won the Chicago District Junior Open Golf title Wednesday with a 4 and 3 victory over another Rockford youth, Howard Weyburg. Scott, 15, was 16 under par for the 108 holes. He played during the meet at Ruth Lake Country Club in suburban Hinsdale.

Scott was one under par for the 15 holes needed to defeat Weyburg, who was five over for the distance. Scott gained the finals by downing Jack Allen, Madison, Wis. 6 and 5 while Weyburg moved through the semi-finals with a 19 hole victory over Johnny Revolta, son of the famed Evanston pro.

'You Gotta Love It' to Stay, Says Cards' Indestructible

NEW YORK — (U) — If Enos Slaughter, the old Cardinal indestructible, had to give a formula for staying young in baseball, he would start off with this recipe:

This unquestionably has been the code of the balding, 37-year-old one-time country boy from Rockwood, N. C., who is completing his 19th year in professional ball and his 16th with St. Louis—excluding three years in service.

He has outlasted five Cardinal managers—Eddie Stanky is his sixth—and two owners. He is the game's greatest competitor, they say, since Ty Cobb and many baseball men rate him with Ted Williams and Stan Musial as one of the outstanding performers of the era.

Enos—or "Country," as But Shotton dubbed him years ago and Columbus—still plays the game with the gusto of a rookie. He's the first man on the field for practice and the last one off.

He runs to and from his outfield position between innings as if he were trying to heat out a bunt. He's always hustling. "When I can't run or hustle I'll quit," he said today, as he layed in his hotel room after a night game with Brooklyn. "Right now, it looks like that may be a few years yet."

FRENCH OPEN GOLF PARIS — (U) — With Lloyd Mangrum, Los Angeles sharpshooter, and South Africa's Robby Locke heading the field, 85 players from 10 nations took off today in the first round of the French Open golf championship.

Dixon Netmen Top Sterling

STERLING — (Special) — The Dixon Elks 18 and under tennis team swung back onto the victory trail last night with a 6-2 victory over Sterling which darkness halted after singles play.

Eight singles matches were played but darkness stopped all doubles action. Four matches went the limit with Henry Utley being pushed to 32 games before finally stopping Jim Schuler.

Jimmy Schweitzer won the quickest match, a 6-0, 6-2 decision over Larry Lanton.

The summary: Henry Utley (18) defeated Jim Schuler (18), 7-5, 6-4, 6-3. Roger Williams (18) defeated Bernie Sage (18), 6-1, 6-0, 7-5. Joe Cushing (18) defeated Jim Smith (18), 6-0, 6-1, 6-2. Joe Jones (18) defeated Robert Chapman (18), 4-6, 6-2, 8-6.

Jimmy Schweitzer (18) defeated Larry Lanton (18), 6-0, 6-2.

Roger Flanagan (18) defeated Jack Hippie (18), 6-1, 6-0.

Bob Ray (18) defeated John Benson (18), 7-5, 6-7.

Jim Bruce (18) defeated Steve Heller (18), 6-2, 6-2.

MAJOR LEAGUE ATTRACTIONS: Gil Hodges, Brooklyn Dodgers, hit two home runs, one in the ninth inning, as the Dodgers beat St. Louis, 9-2.

PITCHING: Bob Fosse, Pittsburgh Pirates, checked Milwaukee on night, hit to break the Pirates' 10-game losing streak, 3-2.

2 P O P S
WHAT'S THE SCORE
by Norm Jollow

IT'S THE BIGGEST EVENT in the golfing year for this area when 11 golf clubs get together for the annual Lincoln Highway tournament. Tomorrow, the 31st annual meeting gets underway at Clinton.

As Hank Henry put it, "It is one tournament where about all the players are about equal in ability." Added Hank, "There is more excitement going on as the boys come in from the last hole at that tournament than at anything you've ever seen around here."

DIXON COUNTRY CLUB GOLFERS well remember last year's tournament held at Morrison when they lost out on the last nine. Dixon was beaten 44-45 in bogey play and if it hadn't been for a slight lapse on the last nine, Dixon might well have carried home the bacon.

Tom Clithero, who is playing in his first tournament, really played inspired golf on the last nine in qualifying for the Plum Hollow team. Tom came in with scores in the 40's on the first 18 but then after a slightly shaky start on the last nine, suddenly began to burn up the course and came in with a 35 to qualify, catching up with all but two of the bogeys he was down. He climaxed the round with a birdie on number nine.

PAR FOR THE CLINTON COURSE IS 72 for 18 holes. Both the front and the back nine are 36. We have learned that the course is in good shape and that it is not an easy one. It is well lined with nerve racking trees and the majority of the greens are surrounded by traps.

IF YOU ARE GOING to be in the North Chicago vicinity tomorrow or if you are still looking for something to do over the weekend, drop in and cheer on the Dixon Legion team. They play tomorrow for sure and if winners, play again Sunday.

We wish them the best of luck and hope they come back with the trophy. But win or lose, we are proud of them.

U. S. Golf Courses More Tailored, Says Ben Hogan

PARIS (U)—Mechanical man? A golf machine? Nerveless? These superlatives have been heaped on Ben Hogan, golfdom's Mighty Mile from Footh Worth, Tex.

"You gotta love it. Never lose your enthusiasm. Play every minute like it was the last out of the World Series."

But what does the winner of the United States Open and British Open think?

"Well," he said Thursday night before boarding the boat train for Le Havre where he embarked for New York, "I'm only human, of course. But there's no point in getting ruffled. It just interferes with your game."

Manicure Them

He said the European courses were a great deal different from those he was used to playing in the United States.

"Here they just make a tee and a green and then cut the grass in between," he observed. "They then toss in a few bunkers and traps. This was true of Carnoustie (where he won the British Open). In the United States we tailor our courses more. We manicure them."

Ticker Tape

Before taking off from Paris Ben learned that New York was planning a ticker tape welcome when he arrived there. His ship, the United States, is scheduled to dock Tuesday. He said it was fine with him.

In New York Grover Whalen, the city's official greeter of dignitaries, said Hogan and his wife, Valerie, would be escorted in a motorcade to city hall for a greeting by Mayor Vincent Impellitteri, then taken on the traditional ticker tape ride up lower Broadway.

Boy Scout Jamboree Opens Today

JAMBOREE CITY, Calif. (AP)—After five days of preliminaries and happy chaos a pattern of order and purpose emerged here today as the third National Jamboree of the Boy Scouts of America was officially opened.

It was a great day for the thousands upon thousands of scouts in this vast tent city. Many of them scripped and saved for months to make the long trek from East, Midwest, North and South to this Southern California ranch.

They have been pouring into the 10,000-acre campsite on the shores of the Pacific since last Sunday and today virtually every boy expected was on hand for the flag raising ceremonies that made the opening official.

Originally Boy Scout officials announced that attendance would approximate 50,000 scouts and leaders. But estimates have now been scaled down to approximately 45,000.

Tonight the scouts will mass in a great outdoor amphitheater overlooking the ocean for the opening show and to hear a transcription of a welcoming address by President Eisenhower, who is honorary president of the Boy Scouts of America.

AUTOMOTIVE HINT
The thin-branded wire core from the inside of an old speedometer cable, with one of the solid ends cut off, makes an excellent tool for cleaning a radiator overflow pipe. Its flexibility permits it to be slipped easily into the pipe, and the sharp ends cut any scale or sludge.

Elephant Has Cancer, Owner Has It Killed

ST. LOUIS (AP)—Honey, a dancing elephant at the St. Louis Zoo, will dance no more. She was put to death Thursday.

The 2-ton elephant, ailing since January with an infection of the forelegs and feet, was found to be suffering from cancer of the lungs.

Honey had been unable to stand for two days before Zoo Director George P. Vierheller ordered her put to death with a heavy dose of narcotics.

Elephant shows at the zoo had to be called off twice because the four other elephants wouldn't leave Honey when she couldn't get up.

Tonight the scouts will mass in a great outdoor amphitheater overlooking the ocean for the opening show and to hear a transcription of a welcoming address by President Eisenhower, who is honorary president of the Boy Scouts of America.

AUTOMOTIVE HINT
The thin-branded wire core from the inside of an old speedometer cable, with one of the solid ends cut off, makes an excellent tool for cleaning a radiator overflow pipe. Its flexibility permits it to be slipped easily into the pipe, and the sharp ends cut any scale or sludge.

DANCE Every Saturday Night
9 Until 12
DIXON MOOSE LODGE
-- This Saturday --
ROCK RIVER RAMBLERS
Members and Associate Guests Only

Elephant Has Cancer, Owner Has It Killed

ST. LOUIS (AP)—Honey, a dancing elephant at the St. Louis Zoo, will dance no more. She was put to death Thursday.

How's That Again : : ?

TOWANDA, Pa. (AP)—Justice of the Peace Oliver D. Goodrich performed a marriage ceremony Thursday night that had—well, you might call them ramifications.

The groom was George B. Archer, 80, who is Goodrich's grandfather. The bride was Mrs. Daisy Mae Shipp, who is Goodrich's mother-in-law.

As a result, Archer is now Goodrich's step father-in-law. The new Mrs. Archer is Goodrich's step grandmother. Archer is now Mrs. Goodrich's step father. You take it from there.

Macon County Children Get Polio Shots

DECATUR, Ill. (AP)—Thousands of Macon county children lined up for shots of gamma globulin today in a mass inoculation designed to avert possible infantile paralysis epidemic.

Hours before the inoculations began in medical centers attended by more than 1,500 doctors, nurses and volunteer workers, the 18th case of the malady was reported in the county.

The new victim is 2-year-old Robert Farrington, son of Mr. and Mrs. Philip Farrington of Decatur.

The inoculation program is sponsored by the State Health Department, the Macon County Medical Association and the National Foundation for Infantile Paralysis.

Wringer Snags Hair; Woman Choked, Dies

CHECOTAH, Okla. (AP)—Mrs. Lucille Sander, 48, was choked to death when her hair caught in a washing machine.

The widow, mother of six children, tried to pull her long hair from the wringer and in the attempt wrapped it around her throat.

The machine toppled, pulling the hair tighter about her neck.

7,000 Illinois Guardsmen End Ripley Maneuvers

CAMP RIPLEY, Minn. (AP)—Seven thousand Illinois National Guardsmen began leaving Camp Ripley today by rail and motor for home after completing a two-week field training period.

The guardsmen are members of the 33rd Division and come mostly from the Chicago and Springfield areas.

The rail movement, by 12 special trains, began in mid-morning. Six motor convoy detachments left earlier. The trains will arrive in Chicago at staggered intervals Saturday from mid-morning until late afternoon. The motor units will spend tonight at Sparta, Wis., arriving in Chicago Saturday night.

Profit Statements Show Business Earning Boost

By SAM DAWSON

NEW YORK (U)—The first flash of profit statements show business earnings after taxes running almost one-fourth better than this time last year.

The first 36 corporations reporting on net income in the second quarter show more than two-thirds of them are outdistancing their profits for the same three months in 1952. The 11 whose second quarter earnings are trailing last year, in most cases report only slight drops.

Stockholders should be happier, too. Corporations paid out about four billion dollars in dividends in the first half of this year, a gain of four per cent over the year-ago figures.

Pleasant Report

Still another pleasant report is in the day's news. The Securities and Exchange Commission and the Federal Trade Commission join to report that manufacturing companies alone made 2 1/2 billion dollars in net profits after taxes in the first three months of the year. This was 11 per cent better than in the first quarter of 1952.

The first 36 corporations reporting so far on their second quarter earnings are widely distributed through the various industries. They are both large and small. Some of them report for three-month periods ending May 31, but most for the April, May and June period.

Combined, they made net profits after taxes of \$223,720,541 in the second quarter. This is a gain of 23.7 per cent over the year ago combined earnings of \$180,801,358.

Bright Side

Heavily weighing the report on the bright side, however, is the big comeback of the steel companies. Three of them report their combined earnings in the last three months ran 212.5 per cent over the year ago figure.

That, of course, is because in most of June, 1952, their mills

were idled by a strike, and profits slumped.

The same weakness in comparisons carries over also into other industries. Some oil companies were struck during part of the 1952 period.

Many companies that supply or serve the steel industry suffered from its strike of last summer, which extended through most of July. Many companies that draw their supplies from steel mills also were hit.

But the profit picture is definitely better this year. First quarter earnings of all corporations—transportation, utility, retail and financial as well as manufacturing—ran around 10 per cent ahead of the year before.

Fingerprints Reveal Crime 18 Years Ago

BALTIMORE (U)—For 18 years 43-year-old William Ealy had lived quietly in Baltimore, acquiring property and attending a church where he acted as part time lay minister.

Recently he applied for a job with the United States Public Health Service hospital here and was fingerprinted as a matter of course.

Thursday Ealy was held in \$2,000 bail for an extradition hearing on charges that he escaped from a North Carolina road gang 18 years ago.

Report 949 New Cases of Polio in U. S.

WASHINGTON (U)—There were 949 new cases of polio last week, 521 more than the week before, the Public Health Service reported today.

The agency added that many states continue to report a "high proportion of nonparalytic cases." During the comparative week a year ago, there were 1,044 new cases.

The service said the cumulative total since the season low point of incidence this year is 4,112, compared with 4,025 for the same period last year.

A Boy Scout Is Cheerful

JAMBOREE CITY, Calif. (U)—An Oklahoma scoutmaster attending the Boy Scouts' third National Jamboree was notified Thursday by his wife that their home had been leveled by lightning.

The message to school teacher Russell Rathjens said his wife and daughter were away from their home in Tahlequah, Cherokee County, at the time. It concluded: "Remember a scout is cheerful. Stay at the jamboree. We're okay."

The administration of President James Monroe was known as the "Era of Good Feeling."

A TEACUP OF GAS
that's all it takes to prove
this compact new kind of car...

RUNS CIRCLES AROUND
ANY OTHER LOW PRICED CAR

Come in, you may win
FREE
A HUDSON JET

After "Teacup Test," fill out official entry blank completely. Best entry in opinion of judges wins a new Hudson Jet. Contest closes August 1, 1953. Get full details from your Hudson dealer.

PERFORMANCE!

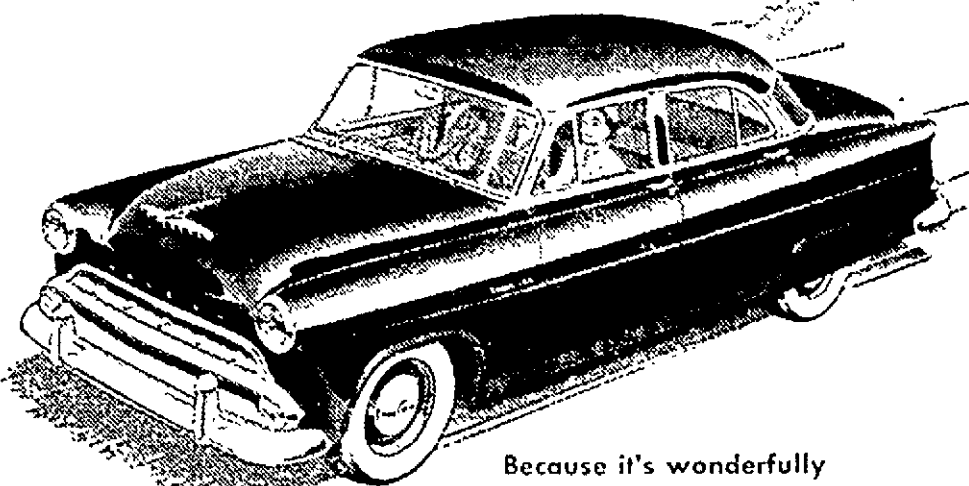

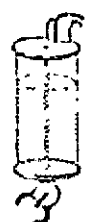

The Hudson Jet will outperform and outdemonstrate any other make of car in the lowest price field.

ECONOMY!

As you drive, you'll see—right before your eyes!—proof of the Hudson Jet's matchless economy.

A SCIENTIFIC, DRAMATIC TEST

Scientific measuring equipment shows you exact, low fuel consumption of the Jet—its amazing performance speaks for itself.

Because it's wonderfully compact, it's a delight to handle, drive and park in today's traffic... and there's ample room for six!

The Hudson Jet has both the hottest performance and the best economy in the lowest price field. Want proof? Come in, put a Jet through its paces. Give it a real

workout. You'll feel performance the like of which you've never known before. And you'll see, on the scientific gasoline meter, its almost unbelievable gas economy!
